Cheeto puffs

This got here by somebody eating the cheeto puffs and through it on the ground.

Ancient Writing

in my book  
at the end of it

### Wat I am seeing

- People rushing
- the AC
- people humming
- the clock ticking
- People turning their pages
- People sitting in their notdots

### Wat is inside

- Inside I feel happy and excited
- I feel tired
- I think that I want to be next in this book
- I am thinking of how much I love this project
- I am thinking of a brain.

### Wat I hear

- Her the Peep at my table
- a vibrating machine
- tapping
- People sitting in their notdots

### Wat I feel

- the marker stings my hand
- It is petting
- soie

### Wat I found

- grass
- trash
- Dirt
- trash
- flowers
- a pinset
- People
- Play ground
- slide
- swings

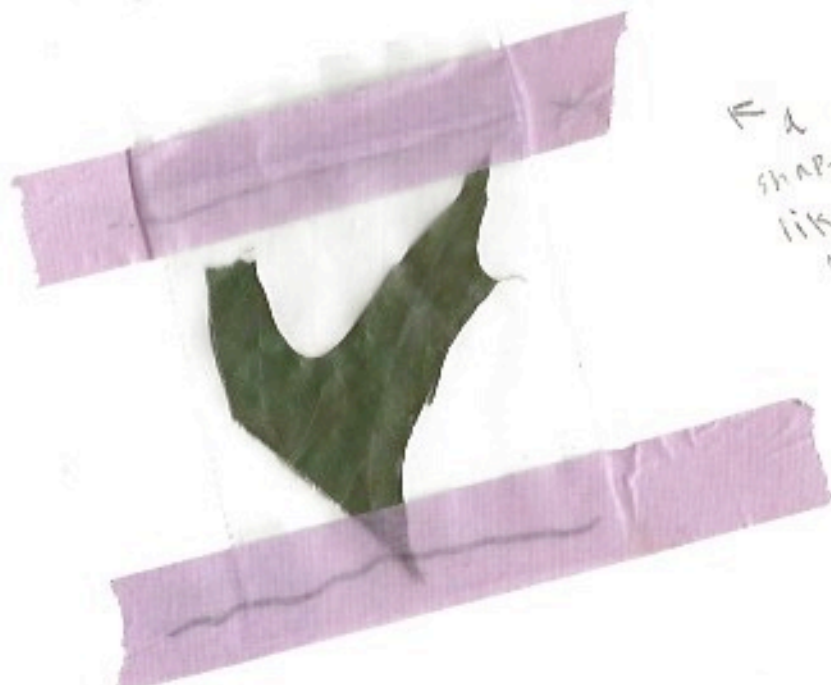

### Stuff about me

- I like blue
- I like moves
- I like to do art

### Wat I think

- the book at my table
- it's full

Wat I

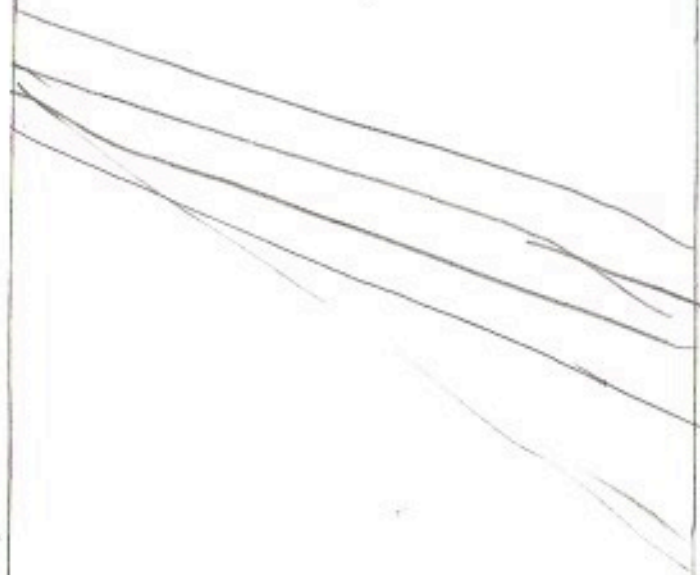

12

crayola

Colored  
pencil

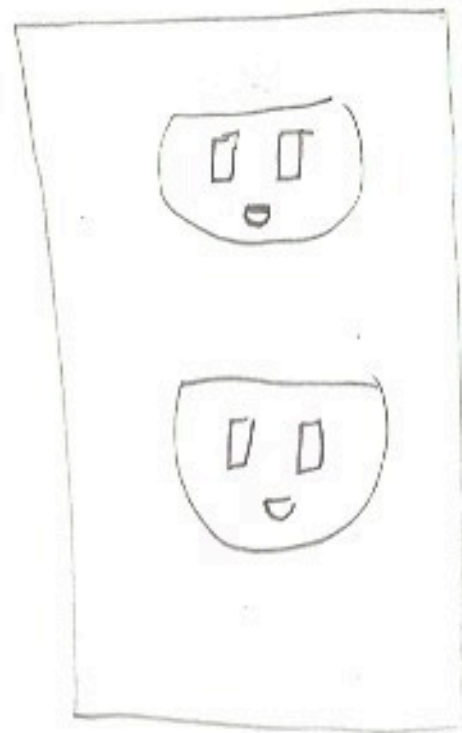

I love it!

I noticed a outlet that is  
way too high to reach &  
use.
