

paint love®

Paint Love is looking to recruit new board members to help guide the vision and direction of the organization as we move into our 10th year and into a new phase of stability and growth. Interested applicants should visit www.paintlove.org/join-board.

Candidates diverse in age, race, ethnicity, culture, identity, background, interest, and expertise are encouraged to apply.

OUR MISSION

Paint Love's mission is to bring extraordinary arts programming that empowers youth and strengthens communities.

OUR VISION

Paint Love envisions a world where all young people have access to creative opportunities and resources that empower them to imagine and create a future not limited by adverse experiences.

HOW WE DO IT

Art is our vehicle, but the soul of our work is showing children that their voice matters, their ideas are important, and their actions can make a difference in shaping the future.

WHO WE SERVE

We partner with educational and nonprofit organizations to engage youth, through projects that are artist-led, to empower conversations guided by trauma-informed standards.
