I found these  
acorns on a picnic  
table. I think that  
before we got there  
that there were  
squirrels eating nuts.  
I saw many squirrels  
in trees there.

5: Acorns on table  
7: Squirrels were there  
before  
5: They eat these nuts  
too

not

I feel I can feel  
the touch of my root Bush  
It is safe and soft At the  
same time and I also feel  
my hair it is soft.

~~Now~~ ~~Now~~ I feel silly and  
I feel a little scared.
